

## The Spirit of Creativity

A painting Experience

This is a colorful and interesting discovery process using art as a means of self understanding and discovery of personal symbolism, imagery and whatever needs to be expressed from your “Ultra Consciousness”. It’s always a surprise as to the way it unfolds for each person. Oh and did I mention that it’s FUN???

*“Life is the Art”*

*Trust the Process!*

*I’d love to share my “Stream of Consciousness” process with you in the beautiful Redwood Forest.....Love, Sofanya!*

Join me at my Dome Studio & Gallery at the Jewel in the Forest Property
